Built-in bathtub for two.

Built-in bathtub in white Solid surface without structure. Water supply also possible from the inside of the bathtub thanks to a hole equipped with polished stainless steel ring. Chromed waste trap included .MET870 (.MET0434 for bathtubs on display). For easier installation we recommend to use the template for the positioning of the waste trap AKITPZVAS. The bathtub is irregular in shape and therefore supplied with template. For proper positioning of the bathtub and systems the template can be ordered beforehand (.IMB1876).
