

Shelf with front element made-to-measure  
 ASEN0927NS

Gwenael Nicolas, Curiosity, 2008

Shelf made from brushed anodised aluminium in black to be matched with the range of taps with the same name.

Height:	14 cm	5" 1/2 inches
---------	-------	---------------

Depth:	12 cm	4" 3/4 inches
--------	-------	---------------

Note: The natural anodising process does not guarantee that all products will have the same finish: slight colour differences cannot be considered reason for complaints. Due to their unique shape, we recommend that all wall-mounted accessories are fixed to a perfectly flat surface.

**Finishes**

Black anodised

**Materials**

Aluminium
