Benedini Associati, Andrés Jost, Diego Cisi,
2015

Top to be positioned on the containers of the
Lato programme, with recesses.

The EII top is available in support on the containers of the Lato programme. The front edge is shaped to facilitate the opening of the drawers, while the side edges are vertical and they allow using the top in the niche. The countertop is made in Corian® white, Carrara white, Carnic gray or black Marquina. The recesses are freely positioned along the whole length of the top complying with the distances from the edges and those between the recesses and they are complete with grill. The basin is not fitted with drain. Designed for waste .MET0563 with .KIT0731 and concealed waste trap . PLA0456 or waste .MET0563 with bottle trap.

Note: Upon request, and after technical evaluation, other Corian® colours and types of marble are possible. It is available with a minimum length of 80 cm (31" 1/4) and a maximum length of 260 cm (102" 23/64).
